Whenever Robert Jones did my makeup back stage for Seminar, I looked so good that I did not want to wash my face that night! All of the Nationals look stunning that have had training from him and you can almost tell who has! How exciting to bring him to Colorado! - SuzAnne Brothers, Senior NSD

I love Robert because he made me so aware of the many MK products that are well priced and above the crowd in quality. With ever changing applications and trends that change, Robert gives us "tips & tricks" that work, and he does it with such humor. He's a not to be missed Presenter/Trainer. - Michaella Fields, Director

Robert Jones is BRILLIANT! He truly is the master at color application. You will leave his workshop with such a great sense of pride in our phenomenal products and soaring with confidence. This workshop will no doubt change your face and the face of your business forever! Get ready for those sales to double! - Keri Andre, Director, Brothers National Area

I felt like I got the knowledge that the pros have! Where would you be able to learn so much in just one day! And he is a hoot! Learning while laughing . . . my kind of education. - Jeanette Beichle, Exec Sr Director

I learned more about how to apply make-up from Robert Jones than from anyone or from anywhere in my 30+ years in MK! He believes any woman can be beautiful! He helps us to bring out our best features and younger by the color choices we make. And what he teaches are skills that anyone can learn. He is definitely my make-up strategy guru! Karen Piro, Inner Circle Senior NSD
